

Product Name: Health Management Bracelet

Model: ZW-M10

Description:

Say goodbye to bad habits, say yes to good health !

No one goes bed one night in a complete chaos and disorder and wakes up the next master of an organized and carefree wonderland.

But this exquisite and fashion health management bracelet can help you say yes to good habits. With the smart bracelet, the activities including the amount of exercise, the energy and calories you consumed, the sleep quality and health index are recorded. Of course, you can share the health data on the social network and enjoy your health life everywhere you like. What's more, it can wake you up in the morning so that you don't need to worry about being late.
