5、Troubleshooting

Below are some basic troubleshooting scenarios for the device. Please contact support from the place of purchase if you are unable to resolve any issues with the device.

Problem	Possible issue	Solution
Unit does not respond.	1.Low battery power. 2.Unit is not turned on.	1.Charge the device for at least 15 minutes. 2.Check if the switch selected to the "ON" position.
Keyboard cannot establish a connection.	1.If using a Bluetooth dongle, it may not be inserted correctly. 2.Singal may be weak due to physical conditions.	1. Bring the unit closer to the Bluetooth Source.
The mouse moves erratically and/or unresponsive.	1.Device may not be within optimal range of the receiver 2.Dust or oil on the touchpad.	1.Bring the unit closer to the Bluetooth Source. 2.Clean the touchpad with a damp cloth.
The battery won't charge.	1.Defective battery. 2.Check connections.	1.Contact your local dealer for replacements. 2.Verify if the device is securely connected to the charger.

6、Maintenance

I　　Do not attempt to disassemble the device or replace rechargeable battery.

Doing so will void the warranty.

I The battery will discharge if stored for a long period of time without usage.

I Use the specified charger. Disconnect the device after the battery has been fully charged. Overcharging the battery will shorten the life span of the battery.

I Do not expose the device in extreme heat or cold. Extreme temperatures will cause the life span of the battery to shorten.

I Use only a damp cloth with mild soap to clean the device. Solvents and other cleaning agents may cause damage to the device.

Notes:
Since devices using Bluetooth technology communicate. The connection can be subject to interference from obstructions, such as walls, or other electronic devices

In line with the policy of continued development. The manufacturer reserves the right to amend The specifications without prior notification, The pictures and date in the stylebook are consult only. If there is fluctuation. According to the real object please.
